

COMMUNICATIONS SCIENCES AND DISORDERS
UNDERGRADUATE COURSE OFFERINGS
2025-2026

COURSE	TITLE	QUARTER
110-0	Intro to Hearing & Speech Acoustics	Fall
202-0	Neurobiology of Communication	Fall
302-0	Anatomy and Physiology of the Peripheral Hearing Mechanism	Fall
304-0	Expt Design & Statistics in CSD	Fall
309-0	Culture, Language and Learning	Fall
318-0	Intro to Audiology	Fall
332-0	Clinical Assisting in Speech and Language Pathology	Fall
*318-DL	Intro to Audiology	Fall
*319-DL	Aural Rehabilitation	Fall
306-0	Psychoacoustics	Winter
310-0	Biological Foundations of Speech & Music	Winter
320-0	Intro to Speech, Language, Learning and Their Disorders	Winter
392-0	Lang Development & Usage	Winter
*301-DL	Anatomy & Physiology of Vocal Mechanisms	Winter
*318-DL	Intro to Audiology	Winter
108-0	Sound and Communication Health	Spring
319-0	Aural Rehabilitation	Spring
342-0	Language & Cognition in Atypical Development	Spring
*305-DL	Phonetics	Spring
*392-DL	Language Development and Usage	Spring
*301-DL	Anatomy and Physiology	Summer
*305-DL	Phonetics	Summer
*318-DL	Intro to Audiology	Summer
*319-DL	Aural Rehabilitation	Summer
*392-DL	Language Development and Usage	Summer

* Online courses are offered via the School of Professional Studies. A dual registration and approval process is required. https://advising.soc.northwestern.edu/policies_procedures/sps-course-petition/
